Beagles of New England States 2005 Calendar

Beagles of New England States, Inc. (BONES) is a non-profit organization that was founded in June 2003. Since its inception, BONES has placed more than 200 beagles in safe, loving homes. BONES has no paid staff and depends entirely on the generosity and commitment of more than 100 volunteers, who assist with transports, home visits, adoption counseling, foster care, fundraising, special events, etc.

Where do beagles in the program come from? BONES works closely with shelters, animal control officers, and veterinarians to find homeless beagles “forever homes.” Many of the beagles are strays, while some are former hunting dogs. Other beagles in our program come from neglectful or abusive situations while still others are much-loved pets that families need to surrender due to overwhelming financial circumstances or personal tragedy.

When an adoptable beagle is taken into the BONES program, it is examined by a veterinarian, treated for existing medical problems, tested for heartworm, and given all necessary vaccinations. All beagles are also spayed or neutered prior to placement.

Beagles are placed in foster homes for an unlimited amount of time before being placed. During this period, they are evaluated by the foster families for sociability with people, children, dogs, and cats. Foster families provide BONES with detailed information about the personality and traits of beagles in their care.

If you are interested in adopting a BONES beagle, please complete the adoption application on our website (<http://www.bonesbeagles.org>) or call BONES at (781) 246-5701 to have an application sent by mail. The adoption process consists of filling out the application, a telephone interview, reference check, and home visit by a BONES volunteer with his or her beagle. Our ultimate goal is to match the appropriate family with the most perfect beagle, ensuring that all will have a happy life together and that the beagle will have a lifelong guardian.

BONES relies on donations from those who care about animals and especially about beagles. Your financial support is needed and most welcome and helps BONES care for homeless beagles and find them “forever homes.” BONES is a 501 (c) (3) organization and all donations are tax-deductible.

If you would like to become a volunteer and work with others who are making a definite difference for the beagles of New England, please visit our website for more information.

The beagles, governing board, and volunteers of Beagles of New England States (BONES) would like to thank you for supporting our mission with your generosity.

In BONES' first year of existence, over 200 beagles were placed into loving and caring homes. This could not have been achieved without your continued support.

Thank you and enjoy BONES' very first calendar!
